

# International Symposium on Crop production in semi-arid areas: tropicalizing the northern region of Gaza/ Mozambique

August 18, 2020 / 1:00 PM CAT/ Zoom & Facebook Live

Guest Speaker

**Dr Leonard Rusinamhodzi**

PhD in Production Ecology and Resource Conservation  
International Institute for Tropical Agriculture (IITA)  
Ghana

Guest Speaker

**Prof. Sebastião Famba**

PhD in Natural Resources  
Eduardo Mondlane University  
Mozambique

Guest Speaker

**Prof. Tomoyuki Tanaka**

PhD in Crop Physiology  
Kyoto University  
Japan

Guest Speaker

**Canon Engoke, PhD**

Seed systems agronomist  
International Institute for Tropical Agriculture (IITA)  
Mozambique

Guest Speaker

**Prof. Koki Homma**

PhD in Crop Physiology  
Tohoku University  
Japan

Guest Speaker

**Paulo Saveca**

MSc in Hydrogeology  
Higher Polytechnic Institute of Gaza  
Mozambique

Guest Speaker

**Prof. Alfredo Nhantumbo**

PhD in Soil Science  
Eduardo Mondlane University  
Mozambique

Moderator

**Prof. Custódio Tacarindua**

PhD in Crop Physiology  
Higher Polytechnic Institute of Gaza  
Mozambique

Organized by  
Higher Polytechnic  
Institute of Gaza
